Summer Welcome Letter

Dear Parents,

Welcome to Summer Camp! Follow the online Summer Calendar at www.creativeartskids.com for schedule. We have a fun summer planned. Our camp themes change from week to week but field trips stay mostly the same. Fridays will be slightly different. Below you will find important camp information, a typical daily schedule, and some helpful field trip information.

Energy is Important! Our campers get busy, and although our activities are planned to help campers regulate their energy usage and to recharge, they can still get run down. Help your child to be well-rested each day, particularly as fatigue sets in later in the week. Dress them appropriately every day. Also, children benefit greatly from fresh nutritious lunches that include a protein, vegetables, fruits, and grains. When in doubt, a colorful variety works well. Kids need lots of mental and physical energy to be able to get the most out of a very active day at CAK. Therefore, a nourished, well-rested child who feels prepared stays fresh all day and rarely feels bad feelings or gets overstressed.

The Goal of Inclusion - The"We". Our goal is for campers be able to participate in activities and field trips. However, we understand how some campers may not be ready for all activities and trips, or may have setbacks. From time to time the CAK directors will decide that it's best for a camper to stay at CAK. Special attention is be given to coincide with creating good habits and setting appropriate limits. There are always teachers and activities at CAK for campers who are not traveling. Field trips are arranged for our Full-day Weekly campers who regularly exhibit self-control, a positive attitude, good judgment, and are fully potty-trained, as assessed by CAK directors.

Friday Field Trips are often out-of-town trips that are best suited for older campers. There is an alternative schedule for younger campers. CAK directors will select campers to be in Group C on Fridays. Group C is made up mostly of campers ages 6 and under. Group C will have a special field trip in town. Older campers may go with Group C as an alternative to the regular longer Friday field trip, when appropriate. Please note: Friday field trips are usually longer and further away, requiring an early start and more travel time - please check the *Summer Calendar* online for departure times and other info.

Things Your Child Will Need to Bring to CAK (also see below) Campers will have cubbies to keep things day-to-day, such as lunch boxes, sneakers for dry field trips, water bottles, extra clothes, sunscreen sticks, swimsuits, towels, library cards, etc. Campers do not have to bring money for field trips, but may bring money with parents' permission. CAK frequents non-profit organizations in the summer and gift shop spending is allowed on field trips, time permitting. Also, there is a Treat Trolley at CAK with candy bars and lollipops for sale. CAK doesn't prohibit electronics per se, but it's not really what we're about. Electronics are permitted at CAK, but kids should not expect to get to use them much; we're too busy. We look forward to you joining us for another great summer.

Field Trip Groups Each child will be assigned to Group A or B. Group C is for Friday field trips only. On days you don't want your child to travel, just tell us that morning during drop-off and we will mark him/her off the field trip roll sheet.

Bring These Items	
Daily	Large water bottle (can be kept in cubby if it doesn't get the cubby wet), extra clothes, sneakers for field trips
Lunch	Lunch box with name on it (no plastic grocery bags) and don't pack frozen meals
Park	. Sneakers, sunscreen stick, large water bottle (even disposable water bottles are okay)
Library	. Library card, if you want to bring it (you can get one from any library in Sheppard Library system)
Pool	. A pool bag that can keep wet clothes and towels from getting cubbies wet, a towel of proper size, floaties/float jackets,
	shoes that might get wet, sunscreen stick (please no spray-on sunscreen)

Don't Bring

You are not required to bring blankets, pillows, large stuffed animals, or items related to bedtime, even though it's okay to fall asleep during your me time. Don't bring more than you yourself can carry in one trip, or more than will fit neatly in your cubbie. Toys that make noise usually have a dominant effect on the room, so be mindful (or just ask us what we think before deciding to bring it).

Also note that

Electronics and cell phones are allowed at CAK, but using them may only be done by special permission only. Out of respect for family boundaries, campers are not allowed to share games with others or watch other use electronics. Therefore, electronics may only be used with special permission by oneself, with nobody watching, as a personal retreat from social stimulus, when appropriate.
